**Description**

Once you try Aquafleece® you'll never look back! The Rooster Pro Lite Aquafleece top combines a soft, durable and flexible polyurethane outer coating with a light fleece inner layer to keep you snug and warm. The stretchy waterproof fabric moves with you and the soft fleece lining feels super-comfortable next to your skin. This, combined with neoprene wrist and waist fastenings, a high elasticated drawstring neck closure and a huge range of colours and sizes available, makes this a must-have piece of kit whatever the weather!
